FREQUENTLY ASKED QUESTIONS

Q: How fast does HemRid Lidocaine Cream work?

A: HemRid Lidocaine Cream begins numbing pain on contact, with most users experiencing significant relief within 1-3 minutes of application.

Q: How often can I apply HemRid Lidocaine Cream?

A: Apply up to 3-4 times daily, or as directed by your healthcare provider. Clean the affected area gently before each application for best results.

Q: Is it safe to use HemRid Lidocaine Cream with HemRid Max?

A: Yes. HemRid Lidocaine Cream is a topical treatment that works externally, while HemRid Max is an oral supplement that works internally. They complement each other perfectly for comprehensive relief.
